MEMORANDUM FOR : Chief, Personnel Section, DPD

SUBJECT : Departure of [ ] and [ ] 25X1  
[ ] 25X1

25X1 1. [ ] has asked to be released from the Agency on or about 1 June 1959 to permit him to take leave prior to reporting to George Washington University 2 July for his next assignment. I have approved his departure on this date.

2. At the same time, his secretary, [ ] 25X1 GS-6, is planning to leave the Agency to be married and, I understand will move to Cleveland, Ohio. Consequently, it appears to me we do not have a need to fill either of these jobs and unless you see some good reason to the contrary, I suggest we surrender both of these slots and abolish the Project Liaison Staff effective 1 June 1959.

3. Will you inquire as to the exact date when [ ] 25X1 plans to resign and prepare a paper for my signature to Col. Burke recommending the abolition of the Liaison Staff and the return of the positions to DD/P
